TO: Our Valued Customers

SUBJECT: Stimulus Act “Buy America” Provision

This letter is to address the subject of the “Buy America” provision of the “American Recovery and Reinvestment Act of 2009,” also commonly referred to as the “Stimulus Act” or “Stimulus Package.”

The bill is an attempt to stimulate the economy and support employment here in the U.S.

As you already know, Cerro Flow Products is immensely proud of our American heritage and tradition. Since the company began in 1908, Cerro has always maintained its American pioneering spirit.

We would like to take this opportunity to remind our customers that we are an American owned company, part of the Marmon/Berkshire Hathaway Group, and unlike some of our competitors, all of our facilities and employees are in America.

Our manufacturing facilities and distribution centers are in Sauget, Illinois; Mexico, Missouri; Shelbina, Missouri; Vinita Park, Missouri; Cedar City, Utah; and Atlanta, Georgia.

We remain committed to our vision statement:

Cerro Flow Products LLC will provide our customers with quality products, superior service and technology. We are committed to creating an environment for our employees that inspires achievement. We will reward our shareholders with superior financial performance while continuing to invest in our future.
